Subject: Re: US EPA Region V Call - PFOA/PFOS

Hey Rebecca,

I reviewed well permits and checked them against the list from the quarterly progress report and there was only 1 in the target area that I did not see on their list so I sent that information on to Heather. Talk to you tomorrow.

Call in information: **Ex. 6 Personal Privacy (PP)**

Agenda:

1. Introduction
2. Update on PFOA/PFOS actions by US EPA – new HAL, Washington Works area actions
3. Testing of private wells, installation of treatment/connection to public water and provision of bottled water
4. Information needed from local health districts
5. Access to US EPA information
6. Next steps and questions
